

Dear Parents,

As you will be aware, it has been announced that all schools in the UK are to be closed from Friday 20 March in order to suppress the spread of Coronavirus (Covid-19), nurseries and child care settings have been asked to do the same.

KCA will adhere to that directive and sadly, we will be closing our centre to our children from Friday evening.

However, we will look into ways to provide services for those children of key people (key workers) who provide fundamental services and also to vulnerable children and their families. We appreciate the impact this will have on our families, and that you will undoubtedly have many questions, and we are working to update you on this matter in due course.

KCA would like to thank you for your support in these unprecedented times. We understand and appreciate the additional challenges everyone is confronted with each day and know that families are relying on us for support.

There are many issues which need to be clarified about how we can support you. We had contacted the local authority as early as last week to initiate discussions around emergency support to children and their families during this crisis, envisioning school closures.

We are also awaiting further advice from the relevant government departments as this unprecedented situation continues to unfold and we will continue to engage with the local authority. We hope to issue more updates early next week to give you the clarity you deserve and expect.

In the meantime, you are still able to use our family services. Please contact our family workers via email family.service@kidscanachieve.co.uk. We are also working on finding ways to offer therapies and counselling to children and families.

Important Notice:

In order to reduce community transmission and risk to children attending our services, but also to staff, we are restricting the number of visitors coming to our building.

From today and until further notice, Harrow Sendiass, Harrow Parents Forum, Special Needs Community, KCA Family & Therapy services, will be working with clients only remotely.

Please do not come to KCA unless you are picking up / dropping off your child or being asked to attend.

We thank you for your patience, understanding and support at this difficult time.

Kind regards,

Kids Can Achieve
