11 – What happens next?

Please complete this form and return to ikostas@ldnlondon.org along with any additional information.

You will not normally be called for an interview if you have not completed an application form and demonstrated your suitability for work at KCA. If you have attended an open day you must complete an application form after the open day if you have not already done so.

Selection will be by interview, some of which may be held remotely or as part of a visit to one of our services.

If we decide to offer you work at KCA we will offer it subject to a number of conditions and checks. You must meet all these conditions and pass our compliance checks to have your offer confirmed. Some of these are legal requirements, others are to confirm you are committed to our values. Our compliance checks can take some time, so we ask you to:

- provide accurate and timely information
- respond quickly and constructively to requests for clarification or further information
- contact your referees to let them know that they will be receiving a reference request and ask them to respond quickly.

If any of these checks are completed not to KCA's satisfaction or within a reasonable timescale any offer of employment will be withdrawn.

Our values

Whenever you engage with our staff or people we support your values will be assessed.

Employment history

If you are in a role providing support or care you will have to provide an employment history (including any gaps) for the period since you left full time education, including the reason for leaving any employment in related work.

Satisfactory references

We will need to get references covering:

- your current or most recent employment
- previous employers to cover the last 3 years
- employers more than 3 years ago if you worked in adult social care
- a character referee if you cannot provide employment references for the last 3 years.

Where you have undertaken related work we will also need to establish evidence of good conduct in that work.

Disclosure and Barring Services (DBS) criminal record check

We will obtain an enhanced DBS check for all successful candidates. If you are not a member of the DBS update service you will need to join it.

Identity and right to work in the UK

You must provide documentary evidence of who are and that you can legally do the work on offer – you will need to bring your documents to our Head Office.

You will need to be vaccinated against Covid-19, agree to regular Covid-19 testing, and wear any necessary personal protective equipment provided.

Fitness to work

We must be satisfied that you are fit enough to do the work offered – you will need to complete a health form that will be reviewed by our occupational health service.

Adjustments

If you pass our fitness requirement and tell us about a disability, impairment or health condition that affects your ability to do your role we may be able to make reasonable adjustments to make a work offer viable or to reduce barriers. Adjustments may be made if they are practical, affordable, not unreasonably disruptive and the remaining job is still a viable role.
